

PERSONALIZED SKIN CARE TREATMENTS

Our registered facial specialists are supervised by a board certified plastic surgeon. *The result*—an expert, custom program formulated to achieve the results you desire.

Each treatment includes an analysis of your skin, deep cleansing, gentle exfoliation, optional extractions, and a custom-blended mask.

SKIN CARE CONSULTATION

Today, technologies have advanced so far it is difficult for the average person to keep up, but then... *you're no average person.*

On the pages that follow, you can learn about the latest, safe, effective skin care treatments and when you are ready to ask questions or if you want to schedule a consult, we'll be there.

This consultation will teach you exactly how to achieve maximum results in the minimum amount of time. After your skin analysis, an individualized home care program is developed by utilizing corrective products for specific skin type and desired results. We will also educate you on properly using your products to achieve your goals.

- Please allow 30 minutes... Complimentary

PRE AND POST-OPERATIVE CARE

Cosmetic surgeries of the face often require pre and post-operative care to obtain and maintain maximum benefits.

Based on the recommendation of your doctor, a pre-operative program can be designed to prepare and condition your skin for treatment.

And, after your healing period, a post-operative program will assist in maintaining the results of your procedure. We offer assistance with make-up selection and application as part of this customized program.

- Please allow a minimum of 30 minutes for initial consultation ... Complimentary

OUR PHILOSOPHY

Our team is committed to providing you with results-oriented, professional skin care treatments in a comfortable, compassionate, and totally confidential medical environment. We offer customized facial and aesthetic solutions for trouble skin conditions, pre and post-operative care, maintenance and general skin care.

EXPRESS TREATMENT, 30 minutes, \$45
For active individuals who desire refined skin. Enjoy a skin analysis, deep cleansing, gentle exfoliation, and custom-blended mask.

CALMING TREATMENT FOR SENSITIVE SKIN, 45 minutes, \$50
Calm and hydrate your skin with soothing essential oils and a clear protein-based gel mask, rich in a hydrating plant complex and amino acids.

AROMATHERAPY FACIAL, 45 minutes, \$55
Our facial specialist will select from the finest essential oil blends available today-hydrating, oxygenating, and rebalancing your skin.

OXYGENATING FACIAL TRIO, 30 minutes, \$45
Rejuvenate tired skin, weary from toxins, pollutants, allergens, improper diet, solar damage, smoking and aging. Acneic conditions benefit greatly from this treatment.

CLASSIC EUROPEAN FACIAL, 60 minutes, \$65
Help maintain a glowing complexion with deep pore cleansing, steaming, and gentle exfoliation. Our European facial massage increases circulation of the blood, carrying oxygen to your skin tissues and toning facial muscles.

FACIAL WAXING, price and time vary
The finest waxing products are used for a non-irritating, smooth result.

HYPERPIGMENTATION TREATMENT, 45 minutes, \$60

Pigment can be affected from inside or outside the body. Sun exposure, some medications, certain diseases, pregnancy, and aging are all causes of uneven skin tone and pigmentation problems. This treatment, combined with home care, assists in fading hyperpigmentation. A series of treatments is recommended.

HYDROXY ACID PEELS, 30 minutes, \$60
This uniquely gentle skin exfoliation treatment smoothes and softens the skin's texture and appearance. The combination of fruit enzymes and hydroxyl acids assist in increasing micro-exfoliation that reveals younger, smoother skin. Can be added to most of our personalized skin care treatments.

ACNE TREATMENTS, 45 minutes, \$60
Our therapeutic treatments for acne are accompanied by a home care program to achieve results in a minimum amount of time. A series of treatments is recommended.

TEEN SKIN CARE AND ACNE TREATMENTS, 40 minutes, \$35
Teen skin care and acne treatments consist of a skin analysis, deep cleansing, gentle exfoliation, optional extractions, and a custom-blended mask. Washing techniques, exfoliation product usage, preventive skin maintenance, and incorporation of prescribed medication are taught to achieve desired results with consistent home care. A series of treatments is recommended.

MEN'S SKIN CARE, 45 minutes, \$55
This treatment addresses a man's special needs and consists of skin cleansing, exfoliation, aromatherapy, and a facial massage with stress-reducing essential oils. Complete your session with a hydrating treatment to relieve razor burns, skin dryness, and irritation.

PERSONALIZED MAKE-UP LESSON, 30 minutes, \$35
Whether your 'look' is everyday, professional or "special occasion," our make-up specialist will select the shades appropriate for your skin color.

PHOTOFACIAL TREATMENTS

The Palomar Medilux pulsed-light system treats sunspots, age spots, dark brown circles, and veins under the skin's surface such as rosacea and spider veins. Improving skin texture and tone, our quick and easy treatments can be performed anywhere on the body except around the eyes.

HAIR REMOVAL

The Palomar Medilux hair removal system emits pulses of intense light into your hair follicles for permanent hair reduction. This new technology removes hair up to ten times faster than a traditional laser. Your underarms, legs, arms, back, bikini line, face, and neck can all be silky smooth...permanently!

- Please allow 45 minutes per session
- Ask about customized package pricing

ACNE TREATMENTS FOR ADULTS AND TEENS

BLU-U Blue Light Photodynamic Therapy
Our exclusive BLU-U blue light kills acne bacteria in the skin. Your skin is exposed to the FDA-Approved light for short periods of time, usually consisting of 15 minute sessions, once or twice a week, for five weeks. Our treatment is safe and painless.

- Please allow 15 minutes per session
- Ask about customized package pricing
